DentalGuard Preferred 2026 Custom Provider Directory

Network Overview

Go Green!- To help reduce the consumption of paper, please access dentist information from the Find a Provider site via links on www.guardianlife.com and www.guardiananytime.com. The site is available 24/7 and allows you to search for dentists or create a customized provider directory.

Quality care you can count on- DentalGuard Preferred PPO allows you and your family to visit any dentist or specialist you choose or a high-quality DentalGuard Preferred network dentist, any time you need care. DentalGuard PPO Dentists have agreed to fee discounts that are up to 30% less than what dentists usually charge. Best of all. Our DentalGuard Preferred PPO features one of the industry's most extensive nationwide dental networks with over 82,000 provider locations.

DentalGuard Dentist (In-Network Benefits)- With the DentalGuard Preferred (PPO) product, you can see any dentist you would like. However, you have more opportunities to save money when you see a dentist in the DentalGuard Preferred network. **Payment is made to the participating dentist.** You are responsible for: Any deductibles, Co-Payments, Services that are not routinely covered by Guardian and are not on the fee schedule, Cosmetic Upgrades and/or services denied due to frequency or contract limitations. (Example: if the contract allows only two cleanings per year, the third cleaning is the patient's responsibility.)

Non-DentalGuard Dentists (our-of-Network Benefits)- Services performed by an out-of-network dentist are usually paid at a lower, out-of-network coinsurance. Typically, when a dentist specialist is needed and one does not exist in the network, benefits are paid at the out-of-network benefit regardless of a referral from an in-network dentist. (unless State mandate requires otherwise).

For more information about your plan- Refer to your Guardian Group Insurance Plan Booklet or go to <https://www.guardiananytime.com>.

Important Notes

All providers listed on the next page are currently accepting new patients at the time of publication. This information is intended for reference only and is subject to change. Members are responsible for verifying provider network participation prior to obtaining treatment.
